

## CLAY CRITTER

## HANK THE HORSE

*Model Magic®: white, brown (red + green)  
ball-headed pin (to indent nostrils)  
basic supplies (see inside the front cover)*

**1** **Legs:** Shape four 1" tall white cones. Flatten a brown ball on the bottom of each. Place the legs together. **Body:** Roll a 1"x1½" white oval and attach to the legs. Flatten small brown balls and attach to his rump. **Head:** Shape a 1" long white teardrop. Pinch the small end to shape the nose. Use the knife to draw his mouth and the pin head to indent nostrils. Attach to the top front of the body, nose angled up.

**2** **Ears:** Flatten two ¼" white balls into teardrops. Attach to the head, leaving a space for the mane. **Mane:** Flatten a ¼"x1½" brown log. Use the knife to draw hair lines. Attach to the neck back and between the ears. **Tail:** Roll a 1½" tall brown cone. Use the knife to draw hair lines. Attach the point to his rump and curve the tail down to touch the body. Pinch the bottom up. After he is dry, use the pen to dot eyes.
